## PERSONAL STATEMENT

A self-motivated, multi skilled, adaptable, individual with a good work ethic covering differing sectors and roles. A demonstrable track record showing the ability to quickly learn and apply to the requirement. Good communication skills as demonstrated by the customer facing roles. A very good knowledge of computers, anatomy and physiology. I enjoy new challenges either in employment or personal, as a way of self-improvement. An example being, I completed an on-line Security Industry course outside of my employment at the time, successfully obtaining my license. I am a Team Player plus fully support diversity and inclusion. Non-smoker with a full driving license and being a British National eligible to work in the UK.

## EMPLOYMENT HISTORY/EXPERIENCE

### **Race Bike Bitz – Royston, December 2021 – Present**

My current role consists of product picking and packing with the correct amount of protection weighing and sizing for exports to different countries via Fedex, computer work with the system Selro also with Ebay, Amazon and Royal mail click and drop, with these systems I will produce a spreadsheet to double check if, all labels have printed, if items couldn't leave and to create the manifests to send out with the post bags. Also dealing with Customer Returns, evaluating the condition to determine whether they could be returned to stock.
